

WJCB Vice-President vacancy N America Region

The resignation of Kathryn Roxburgh, mid-term, created a vacancy in the Officer team.

Discussion with, and between, the two Bureau Member Associations in the region led to their nomination of Mr Chris Sorenson, former AJCA President, as a replacement VP.

The Bureau Officers support the proposal and seek confirmation from Council that Mr Sorenson may act in the full capacity of a VP until the next Bureau International Conference.

The impact of COVID-19 has already led to the postponement of the Bureau International Conference Australia from 2021 to 2022.
